

# 'Don't be scared, Be strange' An evening with Joel Salatin

What is holding you back? What do you fear?

Why can't you turn your homestead into a full-time business?

Be inspired and empowered by Joel Salatin, a third generation alternative farmer from Virginia's Shenandoah Valley, as he addresses seven fears with seven solutions - not having enough knowledge, money or labor, developing a market and business, and being optimistic. A beautiful meal of locally grown food will be prepared by The Meat Room, Bespoke Butchers.
