Candidate Name		
BULLOCK, Jennifer	I would like to see farm gate sales - where residents can purchase direct from the grower and also these growers being able to value add and establish small commercial outlets such as eateries.	No
GUY, Pamela	As a semi rural area we have the potential to make use of both council and locally owned land to progress local food production. Local production reduces transporting requirements, which translates to fresher and cheaper produce.	No
STOCKMAN, Richard	Well done	No, although I practice it.
BROOKER, Grant	You really have to understand the conditions relating to all of the statements. I could support in principle, but you would need to know all of the details to support unequivocally	Friends of Plenty River
