

Fabbro's Farm

Vision, Mission, and Values

Vision Statement (what we are trying to accomplish):

Fabbro's Farm is a self-funding, working farm, serving, inspiring and educating our local community by growing and distributing fresh, high quality organic fruit and vegetables in a way that develops resilience and healthy soils for the future.

Mission Statement (why Fabbro's Farm exists):

Fabbro's Farm exists to provide healthy, local, accessible food for our community. It promotes the importance of a local food system to residents and inspires future generations to grow our food.

Values (guiding principles):

- *Integrity*
- *Quality*
- *Sustainability*
- *Carbon reduction*
- *Community inclusion*
